

Clothing Sacrificed

We have never had such a demand for goods as has been experienced in this store this week. The effect of the announcement on Saturday was magnetic for people know what we mean when we give our personal guarantee as to the quality of the garments.

Everything is underpriced, suits made to sell for \$20 are being sold for \$12. Every suit is in the same proportion.

It has been a real pleasure to show these suits because they have the true Kerr value. We have sufficient of the stock to last the balance of the week, come in and buy. The sale of Dry Goods is still on.

THE WORKER MUST BE WELL

In these days of sharp competition everyone who works should be keyed up to the highest pitch of efficiency. The rewards of business life go to the clearest thinkers, to the men and women who know and do things better than other people.

But who can do his best work when the health is impaired, when the appetite fails to demand the food necessary to sustain the body, when strength is lacking and ambition gone? Surely the part of wisdom is to begin at once to build up the body to its normal condition, and this may be done more certainly by the use of

Stearns' Wine of Cod Liver Extract

than any other medicine. It checks hacking coughs, sharpens the appetite, aids digestion, enriches the blood, restores flesh to the emaciated, and renews health and vigor. It is so agreeable to the taste that its regular use is a pleasure. Get it at your chemist's and be sure you get STEARNS'—the genuine.

MASTER'S REPORT SHOWS FAULTS

Guardian Will Now Have to Make Good on Error.

A master's report was filed yesterday by M. T. Simonton on the annual accounts of L. Apana, the guardian of Loo Tan Chee and Loo Soy Lan, grandchildren of the late H. Loo Ngwak, covering the period between July 17, 1908, to July of this year. Simonton's report shows that the guardian charges himself with \$24,243.71 and asks to be allowed the sum of \$22,414.99.

In the course of the report it is stated that the administrator paid to the widow one-third of the gross receipts, instead of one-third of the gross receipts after the payment of the just debts as provided by Section 2271 of the Revised Laws of Hawaii.

In this connection a decision in the seventh Hawaiian Reports is quoted which states that "when the widow's one-third interest in the estate remains unsevered, the guardian managing the estate may charge as guardian only two-thirds commission, dealing with the widow as her agent for her proportion."

The report further states that "the guardian's accounts show that he received \$1500, being a dividend on one-fifteenth share in the firm of Sun Chong & Co. and \$700, being rent from Tong Wo Wai for one year on the Waikale, Ewa, lands. The guardian's report shows that the widow of A. H. Loo Ngwak is alive in China, and that she received one-third of the Waikale, Ewa, rents and one-third of the dividends in the share in the firm of Sing Chong Company. The guardian's account shows that he has received the full amount of the rents and dividends, amounting to \$2200 and that he has paid the widow her one-third share amounting to \$733.30. The guardian has charged his wards with commission on the \$2300 received by him. The master is of the opinion that the wards estate should only be charged with the two-thirds of the commission."

IS YOUR BLOOD THIN AND POOR?

Then Read What This Wisconsin Woman Says About Her Own Case.

In no disease is delay or neglect more dangerous than in anaemia, or poverty of the blood. This disorder is common in persons who are overworked or confined within doors and makes its approach in so stealthy a manner that it is often well developed before its presence is recognized.

But taken in time the disease is readily curable, the specific being a tonic medicine which increases the number of red blood-corpuscles thus enabling the blood to carry the life-giving oxygen to all the tissues of the body. Such a tonic is Dr. Williams' Pink Pills. These pills have had unbounded success in curing this stubborn disease because of this wonderful property.

The following cure of anaemia by Dr. Williams' Pink Pills deserves a careful reading by every person, whose blood is impure. Mrs. Ida Keller, of R. F. D. No. 6, Tomah, Wis., says:

"About ten years ago my health began to fail. I was all run down, could not do any work, had no appetite and was not able to sleep. I had night sweats, which were very weakening and my feet and limbs were swollen. My stomach was in such a bad condition that I could not even retain the doctor's medicine. My head ached all of the time and I was subject to dizzy spells. I became reduced in weight from 148 to 106 pounds and was confined to bed for days at a time."

"I was under the care of two doctors but they gave me relief only for the time being. One of the doctors told my husband that it would be only a short time before I would be in the first stages of consumption. My mother finally advised me to try Dr. Williams' Pink Pills and, while I didn't have any faith in them, did so to please her. Before I had taken the pills long I felt much better. I took several boxes and was able to do my work again. I gained rapidly in flesh, could eat without distress and soon felt like myself again. I always speak well of Dr. Williams' Pink Pills for I know that they saved my life."

Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50 by the Dr. Williams Medicine Co., Schenectady, N. Y.

The seaport town of Great Yarmouth, in England, contains what is said to be the narrowest street in the world. It is known as Kitty Witches Row, and its greatest width is fifty-six inches. Its entrance would seriously inconvenience a stout person trying to pass through it. Twenty-nine inches from wall to wall is all the room that can be spared in this part. Yarmouth is a quaint old town, containing many streets like Kitty Witches Row. They are all called "rows" and are more picturesque than convenient. A hundred and forty-seven of these narrow streets, of a length of over seven miles in all, are to be found in the town.

TUMOR OF FOUR YEARS GROWTH

Removed by Lydia E. Pinkham's Vegetable Compound

South Bend, Ind. — "Lydia E. Pinkham's Vegetable Compound removed a cyst tumor of four years' growth, which three of the best physicians declared I had. They said that only an operation could help me. I am very glad that I followed a friend's advice and took Lydia E. Pinkham's Vegetable Compound, for it has made me a strong and well woman, and I shall recommend it as long as I live." — Mrs. MAY FRY, Lindley, Ind.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy—tumor. If you have mysterious pains, inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation, but try Lydia E. Pinkham's Vegetable Compound at once.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy, and should give confidence and hope to every sick woman.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.
